

VibeRadar

Privacy and Cookie Policy

Privacy Policy

Welcome to VibeRadar. This policy explains how we collect, use, and protect your information.

1. Information We Collect

We collect information when you register, use our services, and interact with our application. This includes:

- Account information (via Google Auth or in-app registration)
- Usage data and search history
- Payment information (processed securely via Paddle)

2. How We Use Information

We use your information to:

- Provide and maintain our social opinion search engine service
- Process transactions (using Paddle)
- Improve our application and algorithms

3. Data Storage

Your data is stored securely in our MongoDB database. We implement standard security guidelines to protect your information.

VibeRadar

Cookie Policy

VibeRadar uses cookies and local storage to ensure the proper functioning of our application.

1. Essential Cookies

Required for authentication, session management, and basic functionality.

2. Analytics and Preferences

Used to understand how you interact with our service and remember your preferences. You have full control over these via our Cookie Consent manager.
